

Tobacco Display at Schuyler Library from May 24 to June 28

A tobacco display was set up at the Schuyler library from May 24<sup>th</sup> to June 28<sup>th</sup> creating awareness to all library participants. The library has 3,482 participants come through in the month of June who viewed the display. The librarians reported several individuals made comments on the display and found it very interesting. Many kids asked questions on the display and were surprised how disgusting tobacco products really are.
