

SMOKING IS THE LEADING CAUSE OF APARTMENT FIRES*

PROTECT YOUR PROPERTY FROM FIRE DAMAGE

A smoke-free policy can save lives and reduce property damage. Implement a new policy by starting with these simple tips:

- Post “Smoke-Free Area” or “No Smoking” signs to remind tenants and their guests of the policy.
- Include the smoke-free [policy as part of your lease](#).
- Meet with your tenants to explain the consequences of not following the smoke-free policy.
